Re-defining excellence ...

Mission Statement

We at D.F.G.T.C. intend to
enhancify reality and add more
tacos to everyone's Tuesday. And
as we move forth, into the galaxy,
we will expand our services to all
hobo and drifter zone mungis folk.

High Level Projects

By project code name ...

1. **“Igloo Luau”**: this is a joint venture with Resilient Ways (Jim Davidson) to get people to congregate on 4/19/20.
2. **“Orangutan Magic”**: get the orangutans addicted to cigarettes, so that they will need to work in factories to afford the cigarettes.
3. **“Orca Madness”**: organize the Orca whales into a shock army, and then launch an attack on Seattle using Orca whales.
4. **“Time Radio”**: pick up signals from the future to beat the markets.
5. **“Gorilla Fun”**: airborne gorillas wearing leather vest covered in spikes, with 2 pounds of C4 wired to a dead-man’s switch.
6. **“Tierra Del Fuego”**: escape to Tierra Del Fuego.

1. Igloo Luau (IglooLuau.com)

MISSION: to get people to leave their homes and defy the evil emperor, Bill Gates, and regain their dignity on **4/19/20**, with friends, at a party or at church, or open your business, drink beer with friends.

2. ORANGUTAN MAGIC

MISSION: we need to get orangutans addicted to smoking cigarettes so that we can get them to work in our running shoe factories making cheap running shoes we mark up 10,000%.

3. ORCA MADNESS

MISSION: we must organize the **orca whales** into shock armies, and design prosthetic suits that would allow them to walk on water and stay hydrated and shit. This way **Seattle** can pay.

4. TIME RADIO

MISSION: build a photon tunneling race track to transmit radio signals 5 minutes into the past, allowing us to beat the market and become rulers of all!

5. GORILLA FUN

MISSION: raise gorillas to be airborne rangers, put them in leather vests covered in knives, they carry backpack with 10 pounds of C4 wired to their heart. Use on “Karen”.

6. Tierra del Fuego

MISSION: we escape to the
land of fire to be reborn. We
establish an agorist colony
of artists and scientists and
busty women, and
required **THOTS ...**

REQUIRED RESOURCES:

1. 300 x 12 gauge gattling guns, gravity fed, swirl hopper feeder, mixed ammo ready ... literally POUR FIRE.
2. 70 x monkeys with herpes.
3. 200 hobos.
4. 70 x gallons of gasoline.
5. 300 x pounds of bacon.
6. A case of apricot brandy.
7. A harpoon cannon.

Future projects ...

1. Moon cannon
2. Love swamp
- 3. Boob-a-lympics ...**
4. Bigfoot BBQ
5. Hooker Army
6. Cocaine Bank of Seattle
7. MOAR Legend's blue dream

It's over folks ...
